Dear Sir:

In reply to your favour of February 15th regarding membership, I beg to advise that the dues are Five Dollars annually. This would entitle you to all publications and also would give you the privilege of subscribing for any medals which the Society may issue.

I am enclosing a folder which gives a brief statement with regard to our aims, together with an application card which I should be glad to have you fill out and return should you desire to affiliate yourself with this Society.

Very truly yours,

Secretary
